2023-24 APUSH
Summer Assignment

For your assignment this summer you will be required to access materials from my website. The instructions for both retrieving the documents and what to do with them are below:

Accessing the website:
- Go to www.connerland.weebly.com
- Scroll over the tab labeled AP United States History and click on 2023 Summer Assignment.

Completing the Assignment:
- Follow the instructions for each assignment completely. Each portion of the assignment is to be **<u>HANDWRITTEN</u>**. Points will be deducted if any of the assignment is typed.

Instructions:

Print off the document titled "2023 Summer Assignment Questions and Charts". You are to complete each part of the assignment in pen or pencil. This is what you will turn into me on the first day of school.

Answer the questions and fill out the charts as you follow the instructions for each part of the assignment. The instructions can be found on the questions document. The components of the assignment are as follows:

Part A: Research Chart: European Colonization of the Americas
Part B: Document Activity: British Colonial Regions
Part C: Point of View Activity: British and Natives
Part D: Research Chart: English-Native Conflict
Part E: Document Activity: Slavery in the British Colonies
